

OPPO

Designs lifestyle for people and
companion animals

OPPO stands for **Optimistic** and **Positive**

We look into life and strive to design an environment in which people and animals live together. We intend to make proposals incorporating wisdom to live with animals in a pleasurable and optimistic manner with positive thinking.

OPPO is a communication tool

A tail of an animal (OPPO) expresses diversified emotions as a communication tool. Human has a trace of the tail that we think symbolizes something common with animals. OPPO proposes lifestyles that allow you to live with companion animal in a natural manner as the same creature.

Understanding the needs and problems the pet society may have, the special design was focused on. Our mind for creation has been cultivated in the development efforts of environment beautification goods including cleaning goods TERAMOTO has worked on over a long period of time.
