

CatShell

CatShell can be used as a cat's bed in single use
and as a hideaway in double use

Cat's bed in single use

CatShell can be used as an open bowl-type bed for a cat in single use. The material is pulp including recycled pulp and is water-repellent.

A dome type when two pieces are combined

Two CatShells, when combined vertically, provide a relaxing place to stay for a while. They look like two sea-shells joined.
